INVEST KERALA PRIMER

SIMPLER | FASTER | FRIENDLIER

An aerial photograph of a resort complex. In the foreground, a large, irregularly shaped swimming pool with a blue tint is surrounded by a paved deck and some palm trees. To the right of the pool is a smaller, circular pool. The resort buildings, with red-tiled roofs, are arranged in a grid-like pattern. In the background, there is a large body of water, possibly a lake or a bay, with a bridge visible in the distance. The sky is blue with some light clouds. The text is overlaid on the left side of the image, partially obscuring the resort buildings.

KERALA AT A GLANCE

CURRENT
INVESTMENT
CLIMATE

KERALA'S LANDMARK ACHIEVEMENTS THAT MAKES IT DIFFERENT FROM OTHERS

Kerala has for many years and continues to lead India on the social development front and is a leader in achievement of Sustainable Development Goals relating to health, education and gender equality. We are valued higher than many States in India for these parameters.

▶ GOOD GOVERNANCE

Best governed State in India for three consecutive years (Public Affairs Index)
Best in Law and Order with great communal harmony.

▶ Quality of Life

Education and health standards of Keralites are much above those enjoyed in rest of India.
The Physical Quality of Life Index of Kerala is in line with Scandinavian standards.

▶ Highly Skilled Workforce

Kerala has a massive talent pool that is increasingly strategic to driving success for the State.
The State holds some very good universities aligned to industry standards.

▶ Digital Transformation

First Digital State in India.
Country's first State to make access to Internet a basic right.
Highest mobile network and optic fibre penetration in India.

▶ Best Startup Ecosystem

Startup Village has incubated over 500 startups in Kerala.
Maker Village is the most advanced incubation centre for hardware startups in India.

▶ Role-model State for Healthcare Development

Kerala is viewed as role-model State for its healthcare development with its child development indicator levels being comparable to that of developed nations.

KERALA'S INVESTMENT POTENTIAL RANKING

THE NCAER STATE INVESTMENT POTENTIAL INDEX 2018 (N-SIPI)

The National Council of Applied Economic Research (NCAER) State Investment Potential Index 2018 - N-SIPI has been constructed using six pillars that can be classified under the following four broad categories: factor-driven (land and labour), efficiency-driven (infrastructure), growth-driven (economic climate, political stability and governance) and perceptions-driven (responses to the surveys).

TOP REASONS TO INVEST IN KERALA

WHY TO
INVEST?

An aerial photograph of a city at dusk or dawn. The sky is a mix of orange, yellow, and blue. In the foreground, a train is moving along an elevated track. The train is blue and white, with its lights on. The city below is lit up with streetlights and building lights, creating a warm glow. The overall scene is a mix of urban development and natural beauty.

SECTOR SPECIFIC INDUSTRIAL PARKS

4

5

HIGH QUALITY SKILLED MANPOWER

AN EVER GROWING ECONOMY

Kerala has a steady continuously growing economy. Over the past two-plus decades (1990 to 2018), Kerala has grown at an impressive rate, increasing its GSDP from 12,195 Crore to 5,51,412 Crore. Kerala's economy has faced a number of setbacks over the last two years. The State had been hit by Cyclone Ockhi in 2017 and by severe floods resulting from unusually heavy rains in 2018 and again in 2019. The economic crisis in the Gulf countries has also adversely affected Kerala economy. Despite such setbacks, GSDP in Kerala grew at the rates of 6.8% and 7.5% respectively in 2017-18 and 2018-19.

PER CAPITA STATE INCOME

Between 2012-13 and 2018-19 the per capita NSDP at constant prices was higher than the national level

AN EVER GROWING ECONOMY

Kerala is a consumer State with high Per Capita Income & Consumer Expenditure

PROACTIVE GOVERNMENT

Kerala has been a pioneer in ease-of-doing business, implementing amendments and alterations to policies and proactively putting systems such as online single-window clearance (K-SWIFT) in place. The new Kerala's Industrial & Commercial Policy 2018 is the backbone of Kerala's Investment Landscape. The policy aims to accelerate the industrial growth in the State by attracting a steady stream of investment into the industry, infrastructure and core strength sectors.

100+
REFORMS

Numerous measures are taken by the Government to ease the industrial licensing process by the State in the recent past including introduction of end to end online systems, extended validity of licenses, automated approvals based on self – certification and introduction of deemed approvals. Emphasis were laid on simplification and rationalization of the existing rules and introduction of information technology to make governance more efficient, effective, transparent and user-friendly. The above reforms include various changes in clauses under Acts/ Rules/Policies/portal version updates, new parks proposed etc.

Government is currently working on

EASE OF DOING BUSINESS: KERALA SCORES

* This is based on implementation % approved by Department for Promotion of Industry and Internal Trade (DPIIT). Revised scores based on feedback on these reforms are awaited.

GEO-STRATEGIC LOCATION ADVANTAGE

Kerala is strategically located on the trans-national trade corridor connecting Europe and Pacific rim with highest number of airports with global connectivity in the Country. Kerala's strategic location and huge diaspora span across the world make it a very attractive proposition for Investors across the globe.

- ▶ Kerala's geo-strategic location on the international maritime route and long coastline is poised to be an ideal gateway for Investors from North East Asia to gain direct access to the emerging North and East African markets, and offers a unique opportunity for Investors from European and North American region to the South Asian markets.
- ▶ The State is accessible through international seaport at Kochi and 4 international airports at Thiruvananthapuram, Kochi, Kozhikode and Kannur.
- ▶ Kerala has a huge Non-Resident Diaspora spread across more than 160 countries. We are the only State with such large diaspora hence enabling cross-cultural influences and knowledge exchange to build a vibrant ecosystem for investors.

SECTOR SPECIFIC INDUSTRIAL PARKS

The State offers sector specific industrial parks for the exclusive growth and development of specified industrial sectors such as Aerospace & Defence, Electronics Manufacturing, Food Processing, Petrochemical, Life Sciences, Medical Devices Cluster etc.

HUGE TALENT POOL OF SKILLED WORKFORCE

SKILLING LANDSCAPE OF THE STATE

01

Kerala has a massive talent pool and holds some very good universities aligned to industry standards.

More than 150 thousand effervescent young graduates pass out every year.

02

03

English is the common language used at workplace. All skilled workforce and graduates are well trained and fluent in communicating in English.

Low attrition rate is observed amongst workers in Kerala.

04

05

State provides Industry-ready training programs under the aegis of State Skill Development Project.

INDUSTRY FOCUSED SKILLING INFRASTRUCTURE

Kerala Academy for Skills Excellence (KASE) is incorporated to pursue its main objectives to promote, establish, setup, monitor, govern and regulate institutions and academies for skills excellence for development of core employability skills, competency standards and for promoting technology that meets the demands of various industries globally.

Additional Skill Acquisition Programme (ASAP), part of the State Skill Development Project aims at tackling the problem of educational unemployment by introducing market-relevant foundation training, vocational training and career counseling alongside the general curriculum.

HOW TO INVEST?

INVESTMENT FRAME WORKS

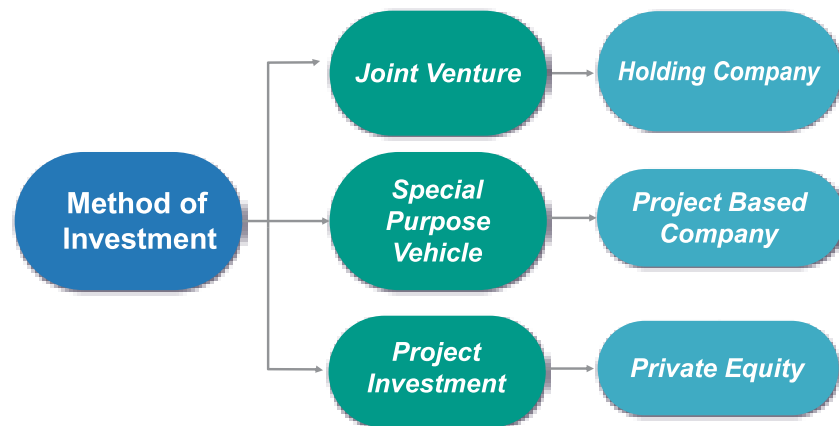

EXIT PLAN

Exit plans would be structured based on discussion with the investors. Few possible options are:

- Strategic investor to be identified at appropriate valuation and life cycle of the project – players looking at consolidation.
- Exit models to be explored, such as Infrastructure investment trusts, Future IPO at the main or alternate markets and others.
- Explore opportunity for Government to buy back .
- Strategic acquisitions or mergers or management buyout.

Legal Structure

INDUSTRIAL LAND LEASE RULES

KERALA INDUSTRIAL INFRASTRUCTURE DEVELOPMENT CORPORATION (KINFRA)

1

The applicant submits application available at various parks along with a DPR. The application shall be accompanied by a processing fee of INR 5000 + 18% GST. The Lease period is 30 years. Proposal to be placed before District Industries Land Allotment Committee.

2

Once the proposal is cleared by the Land Allotment Committee, intimation letter will be issued to the Allotee and the Allotee shall remit 10% of the total amount of lease premium as Earnest Money Deposit (EMD) within 30 days.

3

On remitting EMD, allotment letter will be issued and Allotee shall remit 40% of lease premium within 30 days. On remitting lease premium, License Agreement would be executed, validity of which is 24 months.

4

During this period, Allotee has to submit the drawings, construct the building, installation of plant and machinery and the unit shall be ready for commercial production. The balance lease premium is to be remitted within 5 Years.

5

Once the unit is ready for commercial production, Lease Deed will be executed for 28 years. Please note that the deeds are exempted from Stamp duty and Registration. In case of cancellation of the allotment, 10% EMD will be forfeited.

INDUSTRIAL LAND LEASE RULES

KERALA STATE INDUSTRIAL DEVELOPMENT CORPORATION LIMITED (KSIDC)

1

The applicant submits application form along with project report and processing fee of INR 10,000 + 18% GST. The proposal after evaluation will be placed before District Industrial Land Allotment Committee (DILAC) for approval and allotment letter would be issued post approval.

2

Upon paying 20% of the onetime lease premium of the land, the Allottee shall enter in to a License Agreement within 90 days from the date of allotment letter.

3

The balance 80% of the onetime lease premium shall be paid in 5 equal annual (16% each) instalments within a period of five years from the date of Allotment Letter.

4

The license period shall be initially for two years, during which Allottee shall complete project implementation and start commercial operation. Post commencement, within a maximum period of 2 years, the license agreement can be renewed for a further period of 3 years for completing the payment of balance one-time lease premium.

5

Once the lease premium is paid in full, a Lease Deed in the form prescribed by KSIDC shall be executed for a period of 30 years from the date of allotment letter.

INDUSTRIAL LAND LEASE RULES

DIRECTORATE OF INDUSTRIES & COMMERCE (DIC)

1

The applicant submits application (directly or online) along with copy of the Detailed Project Report, Building Plan, Site Plan, Proof of the Constitution of the unit etc. (essential documents). The Earnest Money Deposit (EMD) as per the existing Hire purchase Rule is @10%.

2

The application and documents shall be appraised by District Industrial Land Appraisal Committee (DILAC) for allotment up to 10 acres and State Industrial Land Appraisal Committee (SILAC) for allotment of land above 10 acres.

3

The Allotee can opt for hire purchase scheme by remitting 50% of the total cost of the allotted land as initial payment and balance 50% in 5 annual equal installments OR on Outright Purchase basis by remitting 100% of the cost of the allotted land.

4

The Allotee is bound to execute an Agreement with the allotting authority. The Allotee can get the allotted land assigned in their favour on satisfying the three conditions namely 1) Full utilization of the land, 2) Working of the unit in full swing and 3) Remittance of the land value in full.

5

The Allotee is bound to utilize the land for establishing the industry is two years, failing which Fine would be levied. Over and above the resumption interest @ of 10% shall be charged from the date of allotment to the date of resumption.

KERALA SINGLE WINDOW INTERFACE FOR FAST AND TRANSPARENT CLEARANCE

www.kswift.kerala.gov.in

An elaborate e-platform to facilitate the Citizen – Government interface focusing on the transparency dimension will be a game changer in the Ease of Doing Business arena of the State. A transparent fast track online system for entrepreneurs to avoid procedural delays in getting statutory clearances from various authorities throughout the life-cycle of projects.

K-SWIFT ADVANTAGE

- Entrepreneur friendly portal to obtain NOC's with minimal 'running around'.
- Real time status update on the clearance process with timelines.
- Auto generation of deemed approval based beyond set timeline.
- Common Application Form, Integrated payment mechanism.
- Downloadable digital approvals at finger tip.

INVEST KERALA PORTAL

www.invest.kerala.gov.in

A common integrated web portal named 'Invest Kerala' for the Department of Industries and Commerce, Government of Kerala (GoK). The portal will act as a single window facilitator for investment promotion for prospective and aspiring investors.

The Invest Kerala Portal will enable the Department of Industries and Commerce in areas such as

- Single window facilitator for investment promotion.
- Integrated view of various information/ activities/ services of existing portals of KINFRA, DIC, KSIDC & K-BIP.
- Incorporation of the requirements of Ease of Doing Business initiatives of the State.
- Common repository for land bank details, investor wizard, various services, schemes, lenders and relevant reports.
- Dynamic investor query resolution.

INVESTMENT WIZARD

ONE-STOP INVESTMENT WIZARD FOR ALL YOUR INVESTMENT RELATED PROCESSES, TIMELINES AND APPROVALS

The investment wizard provides comprehensive and customised details based on an investor/entrepreneurs market entry mode, value of investment, type of sector, type of business and location. The investor can easily navigate through the wizard questionnaire. Upon completion of the questionnaire, detailed list and steps for approvals and detailed instructions would be provided to the investor.

KNOW YOUR APPROVALS

ONE-STOP INVESTMENT WIZARD FOR ALL YOUR INVESTMENT RELATED PROCESSES, TIMELINES AND APPROVALS

The Invest Kerala Portal provides a dedicated section for 'KNOW YOUR APPROVALS' that list out Department-wise approvals, timelines and associated details.
